

ADVENTURE UNLIMITED

When the asphalt comes to an end; and the rugged outback is just too tempting, 4WD shock absorbers by KONI are the ideal all-terrain option. KONI sets off road standards with its unique blend of innovation, high performance technology and superior expertise. If you enjoy discovering Australia's gravel roads, outback tracks and mountain trails, KONI has created an all-terrain damper for your T-Van that is built without compromise.

82-2297SP1 BUILT FOR TOUGH CONDITIONS

HEAVY TRACK® 4x4 shock absorbers by KONI
